ABSTRACT

Designed to introduce students to pleasure reading while teaching and reinforcing reading comprehension, vocabulary, writing, and critical thinking skills, this book presents over 240 reproducible quizzes, activities, and project pages. The book is divided into 12 monthly units covering four favorite children's books each, all suitable for students at a broad range of reading and interest levels in grades four through eight. The 144 reproducible quizzes include three different 10-question quizzes for each title. The 98 reproducible activity and project pages in the book are designed to build students' comprehension, vocabulary, creativity, and critical thinking skills. The book also includes teacher summaries for each book and complete answer keys. (RS)
